

Transcend Micro

Transcend Micro offers the full-featured CPAP performance you want every day in a clean, simple and sophisticated design. The future of CPAP therapy is available now!

- **Small:** About the size of a baseball
- **Lightweight:** Weighs less than a mobile phone
- **Works with any CPAP mask:** Use your existing mask
- **Quiet operation:** The Transcend WhisperSoft™ muffler is included

Adjustable GentleRise and AirRelief Technology

The Transcend Micro features the GentleRise technology to help you fall asleep more comfortably by delivering a lower pressure when you turn on the device and go to bed. It then gradually increases pressure over time until you reach the desired level. Plus, it's adjustable, so you can fine-tune your ramp times or turn off the ramp feature altogether to ensure you're getting

Smallest and Lightest Travel CPAP Device

Weighing less than 0.5 lbs. and less than 4 inches wide, the Transcend Micro is the most portable CPAP currently available on the market.

Unplug and Sleep Anywhere with More Power Options

The Transcend Micro comes with an AC (wall) power adapter for when you're at home, at your cabin, or at a hotel. The Transcend PowerAway™ P8 portable battery is an ideal option for camping, flights, or travels to remote locations off the grid. The battery doubles as a backup power source during power
